Dear CWA District 6 Members:

I am pleased to announce that CWA has reached a tentative agreement with AT&T Southwest on a four-year contract. We started early negotiations and worked hard to reach an agreement for our 20,000 CWA members in Arkansas, Kansas, Missouri, Oklahoma and Texas at AT&T Southwest. Our Bargaining Committee focused on the needs and bargaining goals of our members and was successful in gaining significant wage increases in each year of the contract, paid parental leave, affordable healthcare, new training and education opportunities, a \$1,000 bonus upon ratification, along with other significant improvements.

In a major breakthrough, AT&T commits to bringing 3,000 jobs to District 6. I began talking with AT&T officials early last fall about the need to bring jobs back home; this is a tremendous gain for working people in the five states.

I am extremely proud of the work accomplished by our Bargaining Committee and very grateful for the job they have done for our members. Your CWA Bargaining Committee is confident that we have negotiated an extremely good settlement that we are proud to present to our members for their approval. We join the Bargaining Committee in recommending this contract for ratification.

CWA/AT&T – SOUTHWEST – TENTATIVE AGREEMENT

The following tentative agreement has been reached after the Communications Workers of America District 6 and AT&T Southwest agreed to enter into early bargaining. Negotiations began on February 1, 2017 to reach an agreement with AT&T before the expiration of the 2013 Labor Agreement. As a Committee, we strongly believe this agreement is a result of hard work, dedication and a strong commitment to address every critical proposal that was submitted by our members. The CWA Committee believes that there are key improvements in this agreement that were achieved because of early bargaining, that would not have otherwise been possible during traditional bargaining. For these reasons, the CWA District 6 Bargaining Committee unanimously recommends this agreement for ratification.

In Unity,
Mike Neumann
Jason Peavler
Marc LaRousse

Glynne Stanley
Jeff Hayes

Gerald Murray
Luke Pavone

Duration

Four-year contract: April 9, 2017 to April 10, 2021.

Wages and Other Compensation

Early Ratification Payment: If the agreement is ratified on or before April 7, 2017, a ratification bonus of \$1000 will be paid to each eligible member.

Guaranteed Annual Wage Increases:

Compounded Wage increase 11.1%:

May 7, 2017 – 3.0%
May 6, 2018 – 2.5%
May 5, 2019 – 3.0%
May 3, 2020 – 2.25%

COLA: Suspended effective April 9, 2017 through April 10, 2021.

Success Sharing Plan:

Based on the Union's and Company's desire to have employees share in the success of AT&T, Inc. (AT&T), the parties agreed to a Success Sharing Plan (SSP). There are two components of the Success Sharing Plan and eligible employees may receive annual lump sum payment based on AT&T stock appreciation and AT&T dividend rate. Employees will be awarded 150 success units at the beginning of each award year (October 2, 2017, October 1, 2018, October 1, 2019 and October 1, 2020). The success unit is only used as a multiplier in the payout calculation and is not a share of stock nor has any other value. For award year 2018, the stock price used will be the closing AT&T stock price on the New York Stock Exchange on October 2, 2017, and September 28, 2018. For award years 2019, 2020 and 2021, the stock price used will be the closing AT&T stock price on the New York Stock Exchange on October 1 of each year and September 30 of the following year. The increase in stock during those two periods will be multiplied by 150 units for the payout amount. The dividend rate value will be determined by adding each AT&T declared quarterly dividend during the award year and multiplying this total by 150 success units. The payment of the award will be made as soon as practicable after conclusion of the award year and will normally occur the payday of the last full pay period of November. Employees will receive a total payout based on the difference between the ending award value and the beginning award value for the award year multiplied by 150 success units plus the dividend rate value.

Wage Credits:

When the Company invokes a "Tight Labor Market" to authorize blanket wage credit, notification will be given to the Union.
